Obedience Director of Training Report, by Darlene Rak

We have just finished the Spring 2010 Obedience and Rally session and are preparing for the Summer session which begins May 11 & 12, 2010. Our registration numbers still continue to be low. I would like to request that anyone that has ideas on how to get our name out to the public better to please, please contact a board member.

I would like to thank all the people that make our obedience program work so well: Roberta Shellabarger and her cleaning crew, Barbara Mann who does registrations and certificates, Terry and Fred McCarty who man the phones (you would not believe some of the phone calls they endure or the time of night that they sometimes receive them), Mike Scott who does our ring set up every week and makes many copies for the obedience program, Elaine Stoermer who takes care of everything Rally, and the many people that volunteer their time and talent to instruct or assist. We could not run our program without you and on behalf of the club I thank you all very much.

I also want to thank the people that have come forward to support me personally in my position as Director of Training. Suzy Howard – you especially have made a difference with all of your kind and encouraging words. More club members who did not volunteer in the past are starting to. New members and training privilege members are offering to help. It makes my job so much easier when I do not have to spend hours upon hours begging people to help teach. I appreciate you all very much.

We are trying to work on some new ideas for the obedience and Rally program that we hope will be in place for the fall 2010 session. We are also planning a Instructor's Workshop to be held on a Saturday in August. The exact date and time will be in the next Clublicity and on the yahoo group as soon as it is finalized.

If you have any ideas about how to make our program even better than it already is please email me at drak@woh.rr.com.

Your \$50 annual Dues to DDTC are due now: Mail to Mike Scott, 88 Urbana Ave., Dayton OH 45404.

January Obedience/Rally Trial report, from Elaine Stoermer

Amid the snowy mounds and the flocked tree limbs, Dayton Dog Training Club held its first "Winter" obedience trial January 9th and 10th. The weather convinced everyone that it was, indeed, a winter trial. Many members and competitors were welcomed into the warmth of DDTC's building and showed well in both Rally and Obedience. We had great judging and expert crews working the rings.

In Novice B, Betty Frank and Lacy (Lab) qualified Saturday; Teresa McCarty and Kellee (Sheltie) qualified both days and took third place on Sunday. Marcia Richley and Sunny(Gldn. Retrvr.) double-Q'd in Open B and Utility B for another UDX leg on Saturday; they qualified in Open B on Sunday; Marcia and Sunny took 4th place on Saturday and 2nd place on Sunday in Open B. Nancy Ellis and Gypsie (Rottweiler) qualified both days in Open B taking 4th place on Sunday. Anita Eisthen and Bonnie (Lab) won the Wild Card Open nonregular class on Sunday.

In Rally, Corky Andrews and Griffen (WH Dachshund) qualified in Novice B on Sunday and took 4th place. Alyssa Denen and Wildwind's Fiery Spirit (Rough Collie) qualified in Novice B both days earning their Rally Novice (RN) title; they took 4th on Saturday and first on Sunday. Debra Brown and Maggie (Cavalier King Charles Spaniel) earned their first two Novice B legs in Rally over the weekend. Catherine Thompson and Fred (Mini WH Dachshund) qualified both days in both Excellent B and Advanced B earning two RAE legs; they took 2nd in Advanced B on Saturday and first place in Excellent B on Saturday and third place on Sunday; Catherine and Fred won High-Combined RAE score on Saturday; Fred and Catherine earned their RAE title in Detroit later in January. Barbara Mann and Parker (Airedale Terrier) qualified in Advanced B both days earning their Rally Advanced (RA) title; they took first place on Saturday with a perfect score of 100 and 2nd place on Sunday. Rhonda Holzhauer and Elijah earned their Rally Advanced (RA) title with a Q on Saturday. Joanne Blewett and Olivia's Chocolate Chip (Libby) earned their Rally Excellent (RE) title after qualifying both days.

Congrats to all who showed and qualified. To everyone that competed, keep training and showing. Thanks to everyone who helped out with this trial. It was a success because of all the hard work and time that is donated to the club by members. The club could not continue without all the help it receives from members. Keep up the great work.

Our thanks to Ken Kistler, for getting the club a good used floor scrubber, moving it from Cincinnati, fixing the machine, and coming to DDTC at 5 am to wash the floors with this machine before going to his regular 8 – 5 job.

I am writing this to thank EVERYONE who baked, cooked, and helped me in ANY capacity at this year's tracking test. Our club cooks/bakers came through again in a big way. I'm very grateful to Sue Peterson, Trisha Bierley, Dyanne Johnson, Lynn Luikart, Sara Eppley, Roberta Shellabarger, Sandy Kistler, and Kathy Bigler for their yummy contributions. If I have forgotten anyone I greatly apologize. VERY SPECIAL THANKS to my two great helpers Kathy Bigler AND Sara Eppley. Both of them worked tirelessly and I could not have gotten through the weekend without them. We had fun though in spite of all the work. I don't think our sandwich making skills can be beat anywhere! I received many positive compliments from both judges about our test. It takes a lot of effort from everyone to pull the tracking test off each year. I'm ALWAYS amazed how it all just comes together. Thanks again everyone!"

Hello everyone! Please keep up the good work on keeping me informed of Pet Sympathy & Sunshine concerns. Everyone is doing an excellent job of letting me know about what is going on with our club members. THANKS!! I appreciate it. Members thank me constantly and then tell me that they really appreciate the cards and also the flowers (when we send them). The cards and flowers really do help cheer up our club members; they add a boost to a person's day by letting them know that we club members really do care about them and their beloved pets.
