

DAYTON DOG TRAINING CLUB

Friday Agility Run Thru Schedule & Rules

Friday night run thru schedule for 2017 thru MAY:

Set up will begin between 6:15 and 6:30, walking the course will start immediately following setup till 7 pm. First dog on the line at 7 pm and we will run in the order stated next to the date for that week. We will have a sign-up sheet for you to sign as well as a white board for you to place your dogs in the proper jump height etc. You will have two minutes to run the course with each dog. We will run thru all the heights and then reset and run it again for a total of two runs per dog. We encourage all participants to help setup and work the ring as a bar setter or leash runner etc. The idea is to hold these to mimic as closely as possible to the real deal with ring workers etc. Crating space is available indoors (bring your own crate). Each person is responsible for following the facility rules, keeping their dog(s) under control and being ready to go in the ring for their turn.

These events are open to all whom wish to come your do not need be a member of DDTC nor do you have to be at any advanced level. It is a great way to get practice in that is more like a trial situation. Even if you have not trialed yet or are not quite ready for a trial it is good practice.

The cost for the events will be \$5 per dog for 2 runs. All proceeds will go towards the agility program for new equipment.

January:
1/20/2017 - Small to Tall

April:
4/21/2017 – Tall to Small

February:
2/17/2017 – Tall to Small

May:
5/05/2017 – Small to Tall

March:
3/03/2017 – Small to Tall

PS we are looking for volunteers to help takeover portions of running this program we are in need of at least two more individuals that would be willing to show up at 615 to begin setup and help move things along. If we can get two more people we may be able to add additional dates to the schedule. Please let either Kim or Chad know if you're willing to help.
