INTERMEDIATE

- Must have completed Puppy, Junior Dog, Beginners, or a skills evaluation
- Do you wish your dog would pay more attention to you no matter what was happening around you? This class will focus on getting the dog to pay attention to you under numerous distractions.
- The dog/handler team will work on such things as 1-minute Sit Stays and 3-minute Down Stays. Stationary and moving attention, loose leash walking, and promptly coming when called (recalls), all with distractions, are just some of the other exercises that will be taught.
- **OFFERED MONDAY NIGHTS AT 7:45 PM, TUESDAYS AT 10 AM AND 6:45 PM, AND WEDNESDAY NIGHTS AT 7:45 PM**

BASIC OBEDIENCE FOR PERFORMANCE (BOP)

- Must have completed Intermediate or a skills evaluation
- This class is geared towards the person that is considering taking Agility or other performance classes but whose dog is young and not yet ready for jumping and/or whose dog has little experience staying with them off leash.
- Emphasis would be on handling skills with the dog working on both sides of the handler.
- Sits, downs, call to hand, off leash work, and crate training ringside are some of the many exercises that will be taught.
- A crate is required
- **OFFERED THURSDAY NIGHTS AT 7:45 PM**

GAMES GALORE

- Must have completed Intermediate
- The goal of this class is to improve the dog/handler relationship and the dog's obedience skills and manners through play and games.
- Skills that will be worked on include attention, recalls, heeling, stays, quickness of the dog's response to commands and more
- Games played will include Relay Races, Bowling Alley, Spoon Race, Musical Chairs, Doggie Push-ups, and many more
- **OFFERED ON MONDAY NIGHTS AT 7:45 PM IN THE SPRING SESSION**

CANINE GOOD CITIZEN

- Must have completed Intermediate class or a skills evaluation.
- This class is for owners that would like to continue obedience training with their dogs but may not currently be interested in competition training.
- Dogs will transition to controlled walking on the leash with a flat buckle or slip type collar (which includes martingales) and without the use of a food lure.
- Dogs will learn skills needed to pass the AKC Canine Good Citizen Evaluation which will be administered the last night of class at no additional charge.
- Exercises will include accepting being petted, meeting a friendly stranger, working around distractions including other dogs, sit and down stays, walking on a loose leash and more.
- **OFFERED TUESDAY NIGHTS AT 7:45 PM IN THE SPRING AND EARLY FALL SESSIONS**

- Dog must be able to walk on a loose leash with a flat buckle collar and without the use of a food lure
- Dogs will also learn skills needed to pass the **Therapy Dog International Certification.**
- Exercises will include accepting being petted, meeting a friendly stranger, working around distractions including medical equipment and other dogs, sit and down stays, walking on a loose leash and more.
- **OFFERED TUESDAY NIGHTS AT 7:45 PM IN THE SUMMER AND LATE FALL SESSIONS**

Effective a few years ago, The American Kennel Club (AKC) opened up its companion event titles to include all dogs, including “All Americans” (also known as mixed breeds) except when at a breed specialty.

READY TO RALLY/READY TO SHOW

- Must have completed Intermediate or a skills evaluation.
- Building on what was learned in the previous classes, dog handler/teams taking this class will expand on such things as the sit and down stay exercises at greater distances for longer times with more distractions, more precise heeling with better focus by the dog, heeling through a crowd, recalls with distractions, and more.
- Students completing this class should be well trained to begin AKC titling classes such as Beginner Novice, Rally, or Agility.
- **OFFERED TUESDAY NIGHTS AT 7:45 PM**

BEGINNER NOVICE I

- Must have completed Intermediate or a skills evaluation.
- Successful completion of this class will introduce the handler and dog team with the skills needed to compete for the AKC Beginner Novice title.
- These skills include Heel on Leash, the Figure Eight, Sit for Exam, the Sit Stay Exercise, and the Recall.
- This class is for dogs who have not earned the Beginner Novice or Novice titles.
- **OFFERED TUESDAY MORNINGS AT 10 AM**

BEGINNER NOVICE II

- Must have completed Beginner Novice I or a skills evaluation
- This class will continue on with what was introduced in Beginner Novice
- Successful completion of this class will equip the handler and dog team with the skills needed to compete for the AKC Beginner Novice title.
- **OFFERED TUESDAY MORNINGS AT 11 AM AND THURSDAY NIGHTS AT 6:45 PM**

NOVICE

- Completion of Ready to Rally/Ready to Show or an evaluation is required.
- Heel on leash, the Figure Eight, Heel Free, Stand for Examination, the Recall, and Long Sits and Downs from across the ring make up the components of the AKC Companion Dog (CD) Obedience Title, sometimes known as the “Novice Title”.
- Students will also learn fronts and finishes.
- Dog/handler teams successfully completing this class will have mastered the above exercises and will be well prepared for competition for their CD.
- **OFFERED THURSDAY NIGHTS AT 6:45 PM**

RALLY I

- Completion of Ready to Rally/Ready to Show is required
- Rally is an AKC event that combines obedience exercises with the ability to talk to your dog while completing the course.
- Class work will include introduction to rally signs and courses, explanation and demonstration of the exercises, scoring, entering and exiting the ring, and more.
- All exercises in this class will be on leash
- **OFFERED WEDNESDAY NIGHTS AT 6:45 PM**

RALLY II

- Completion of Rally I is required
- This class will graduate dogs to working off leash.
- Material will include advanced and excellent signs, and dog/handler teams will have the opportunity to practice on many different courses with guidance from qualified Rally instructors.
- **OFFERED WEDNESDAY NIGHTS AT 7:45 PM**

Open and Utility Obedience classes are also offered on Wednesday nights at 6:45 and 7:45 PM, respectively.

CONFORMATION

- Offered to any purebred dog eligible to compete for a Conformation title
- This class will have a structured curriculum
- Focus will be on teaching the handler skills needed to show their dog
- How to properly complete an entry form, prepare for a show, and enter and exit the ring will also be taught.

- Junior handlers serious about learning show protocol are welcome
- **OFFERED TUESDAY NIGHTS AT 7:45 PM SUMMER AND LATE FALL SESSIONS**

LEVEL 1 - FOUNDATION NOSEWORK SKILLS

- In this first class your dog will learn to eagerly and independently hunt or search for something he or she wants and will learn a basic, default search pattern.
- After building your dog's desire to hunt, we will introduce the first Nosework target odor, "sweet birch" oil. Your dog will learn the association between target odor and a highly desired reward.
- Gradually and systematically, your dog will be introduced to searching for the target odor source to earn that fabulous reward.
- You will learn how to help build your dog's drive for Nosework and how to support and reward your dog's independent searching and problem-solving.
- Students must have a nonrestrictive harness for their dog by Week 3.
- Students will be expected to pay a \$30 supply fee which includes a training kit to be used for practice outside of class that will be explained in Week 1.
- **OFFERED TUESDAYS AT 11 AM AND 8 PM**

LEVEL 2 - INTRODUCTION TO NOSEWORK ELEMENTS –

- Completion of Foundation Nosework Skills is required
- Is the second class in the Nosework class series.
- In this class you and your dog will be introduced to all four of the search elements that you will encounter in a Nosework trial: interior searches, exterior searches, vehicle searches, and container searches.
- Your dog will continue to build drive for target odor and searching and will be encouraged to work target odor all the way to source under a variety of circumstances.
- Handlers will begin developing the leash handling skills needed for actual searches and will start learning how to observe the dogs for subtle changes in behavior that may indicate the presence of target odor.
- Students will be expected to pay a \$30 supply fee which includes a training kit to be used for practice outside of class that will be explained in Week 1.
- **OFFERED MONDAY NIGHTS AT 8 PM**

The following DDTC Nosework classes require a supply fee of \$15 be added to the class registration cost when registering for classes.

LEVEL 3 - CONTINUING NOSEWORK SKILLS

- Completion of Introduction to Nosework Elements is required
- This is the third class in the Nosework class series.

- In Continuing Nosework Skills, dog and handler teams will continue to develop the basic skills needed to be successful in the sport of Nosework.
- Building the dog's desire to get to and stay at the target odor source will be emphasized.
- Handlers will learn how to encourage their dogs to commit to the target odor source without creating conflict.
- Dog and handler teams will also start working on more challenging target odor hide placements, including less accessible hides, lower hides, and more elevated hides, similar to what you might encounter at a Nosework trial.
- **OFFERED TUESDAY NIGHTS AT 6:30 PM**

LEVEL 4 - NOSEWORK CHALLENGES I

- Completion of Continuing Nosework Skills is required
- Is the fourth class in the Nosework class series.
- In Nosework Challenges I, dog and handler teams will begin working on some of the more challenging skills needed to be successful at the lower Nosework trial levels.
- For the dog, these skills will include “semi-real” searches that are closer to what teams might encounter in a trial, hides paced inside of objects, channeling odor hides, stronger commitment to source behaviors, handler movement distractions, ground or floor level hides, and more.
- For the handler, the added challenges will include “semi-blind” searches (hide locations unknown to handler) and exercises to assist you in reading your dog and understanding his or her behavior,
- Additional handling skills and “cementing” the theory, methodologies and observations acquired during the first three Nosework classes will also be included in this class
- **NOT OFFERED THIS SESSION**

LEVEL 5 - NOSEWORK CHALLENGES II

- Completion of Nosework Challenges 1 is required
- Is the fifth class in the Nosework class series.
- In Nosework Challenges II, dog and handler teams will continue working on some of the more challenging skills needed to be successful at the lower Nosework trial levels.
- For the dog, these skills will include “semi-real” searches that are closer to what you might encounter in a trial, more difficult containers, ignoring handler movement distractions, stronger commitment to source behaviors, more inaccessible hides, channeling odor hides, pooling odor challenges, and more.
- For the handler, the added challenges will include semi-blind and blind searches (hide location unknown to handler), developing the skill of “reading your dog”, and additional handling skills.
- Learning how to maintain your dog's motivation as the searches get more challenging, and “cementing” the theory, methodologies and observations acquired during the first four Nosework classes will also be discussed.
- **NOT OFFERED THIS SESSION**

FOLLOW ON NOSEWORK TITLING CLASSES ARE TAUGHT BY LAURA MARTIN (A DDTC MEMBER), DOGS ON TARGET, LLC.

PLEASE CONTACT LAURA DIRECTLY REGARDING START DAYS AND TIMES FOR THESE CLASSES AT laura@dogsontarget.com

We also offer conformation run-thrus on Tuesday nights at 7:45 PM. These are held on a drop-in basis, and the fee is \$5.00 per class for non DDTC members. Conformation run-thru nights follow the same schedule as the Obedience and Rally program.

We offer Canine Good Citizen evaluations to the general public towards the end of the Spring and Early Fall Sessions. Please check the home page for details.

We have a full Agility program offered on Monday through Thursday nights.
