In joining the Dayton Dog Training Club (DDTC) tracking classes as a student, I hereby assume all risks and responsibilities for the accidents and damage to my property, others, or myself that result from the actions of my dog. No member or instructor of the Dayton Dog Training Club Inc. shall be held liable for injury and/or damage to my person or property, whether due to uncontrolled dogs or negligence of any member or instructor of the Dayton Dog Training Club.

If in any way I am dissatisfied with the tracking instructions, as set forth on the first day of training, I have the option to request reimbursement of the fees paid. However, thereafter the DDTC, having reserved space for both the trainee and dog, is not liable for returning any fee.

I understand that all dogs registered in DDTC classes must have current distemper, hepatitis, and parvo vaccinations and that all dogs over 6 months of age or older must have current rabies vaccination. DDTC also recommends, but does not require, current vaccinations against kennel cough (Bordetella).
